**RE: Fort Edward UFSD to host Pre-Merger Study Presentation on Thursday, July 11<sup>th</sup> at 6 PM**

Dear Fort Edward School Community:

Thank you for your continued support and dedication to our school. As originally announced on December 5, 2018, the Fort Edward School District contracted with a consulting firm, Castallo and Silky LLC, to conduct a Pre-Merger Feasibility Study with our neighboring school districts.

Representatives from the consulting firm will present the findings of the study on July 11<sup>th</sup>, 2019 at 6pm in the Fort Edward School Auditorium. Representatives from the Fort Edward UFSD, Hudson Falls CSD and South Glens Falls CSD will attend, and the presentation is open to the public. The Fort Edward Board of Education encourages all interested individuals to attend.

Please understand that this is a preliminary study, it does not mean that a formal merger study will take place and it does not mean that any changes are occurring for our students, staff, or programs. The Fort Edward Board of Education's long term, big picture planning makes it necessary to investigate all options available. The information from this study is intended to serve as one piece of many pieces of information that will be reviewed to help effectively plan for the best possible experiences for our students moving forward.

Again, THANK YOU for all the support you provide for our students and programs here at the Fort. I am sure that I will see many of you at the presentation.

Sincerely,

Daniel A. Ward  
Superintendent
