Dear Fort Edward Community,

I can not thank you enough for your cooperation during the events of today. As always, our top priority remains ensuring the safety of our students and school community.

As you may be aware, according to law enforcement, there have been threats made against multiple districts in our area and across the State.

As a result, the District took the precaution of enacting our 2 hour delay schedule. The building has been swept by the law enforcement and the K-9 Unit of our Washington County Sheriff's Department. They have determined that it is safe to resume all scheduled activities. Our current plan for the rest of this week will be to maintain our current school schedule.

It is unfortunate that I have to share these types of communications with you. We will continue to keep you informed should there be any further developments.

Thank you again for your cooperation.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard R. DeMallie".
